

Hallō Nelson

A fully reimagined Par 70 Mountain Course

World renowned Canadian golf course architect, Doug Carrick is transforming the historic Granite Pointe Golf Club into a legendary signature course. The 18-hole course will be operated by the world's leading golf course management company, Troon Golf, continuing the legacy of this important recreational asset for Nelson.

Located on an irreplaceable 130 acre mid-mountain plateau the new course at Hallō Nelson will attract golfers from across Canada, the USA, and around the globe to a world-class course that balances both strategy and thoughtful play. The First Homes are located on what will be the new first fairway of the course.
